Roll Call & Welcome	Samantha welcomed those present to the meeting.	
Transportation Update	<p>David Shelsted updated the group on the following:</p> <ul style="list-style-type: none"> The Pedestrian Crossing Policy was presented to the Operations Committee on March 6. It outlines the type of pedestrian crossings required at roadways. As an FYI the work on this policy started in 2006. Recommended for adoption by council at a future meeting. SMAP members are asked to review the document and provide feedback. Traffic Calming Priority was also presented. This priority was adopted by the Operations Committee. The Pedestrian Crossing Policy and the Traffic Calming Priority can be viewed in the Operations Committee agenda at: http://www.greatersudbury.ca/agendas/index.cfm?pub_redir=1 <p>It was noted that MMM group was not present due to scheduling but have intentions of attending the May meeting.</p>	
Review of Homework	<p>The homework from the Jan 12, 2012 meeting was to review the maps to examine i) route selection principles ii) facility types.</p> <p>Maps were brought to the March 6 meeting for review. The Infrastructure sub-committee was asked to lead the comments.</p>	Action: Feedback to be formulized by the May 3 meeting. Samantha to contact chairs of sub-committees to determine opportunity to provide response.
Official Plan Public Review	<p>The SMAP presented our feedback on January 23, 2012 at the public input session.</p> <p>The presentation is posted on the SMAP website.</p>	
Subcommittee updates		
Policy	Deb reported that the group has provided comments on the Downtown Master Plan, which was included in the	

	<p>meeting package.</p> <p>It was also suggested that stroller policy on public transit be implemented. Discussion ensued about the need for this policy.</p>	<p>Action: Policy committee to draft a Sudbury Stroller policy and submit to the SMAP for review with intentions of submitted to city (operations committee) for endorsement.</p>
Education	Ben reported that the committee compared the transit guides from 2006 and 2011. There is quite a bit of work required to the policies and programs.	<p>Action: Education committee to continue to work on these items.</p>
Infrastructure	No report.	
SMP Progress Report	Deb reviewed the draft SMP progress report with the members present. The committee will be given opportunity to comment and update.	<p>Action: Deb to send the electronic copy of the document for all members.</p> <p>Action: All members to provide comments and/or updates to Deb by end of April 2012.</p>
